The auction will be conducted by the Assistant Director of Agriculture, Bangalore Circle, or any officer authorised by him on this behalf.

The successful bidder should immediately deposit the full amount of the bid to the Agricultural Inspector, Channapatna, soon after the receipt of confirmation of his bid.

If successful bidder fails to credit the entire amount or the bid on receipt of the confirmation notice, the earnest money will be forfeited to Government and the articles will be re-auctioned at the cost of the successful bidder. The loss if any, on account of this, will be recovered from the party but he will not participate if there is any profit by re-auction.

The articles may be inspected at any time in consultation with the Agricultural Inspector, Channapatna, during the working days.

510 N. NARASIMHAIAH, *Asst. Director.*

OFFICE OF THE PRINCIPAL, GOVERNMENT FLYING TRAINING SCHOOL, JAKKUR AERODROME, YELAHANKA POST, BANGALORE.

Notification No. 164, dated 25th April 1953.

Applications are invited from qualified young men for admission into the Flying Course in Government Flying Training School, Jakkur Aerodrome, Bangalore.

Qualifications.—The trainees should have passed S.S.L.C. or Matriculation and must possess good knowledge of English.

Age.—Students should be below 28 years of age. If the students are below 28 years of age they will be entitled to a concession in the flying fees. If they are more than 28 years of age, they will still be admitted but they will not be entitled to the concession in flying fee that is given by the Government of India to those who are below 28 years.

Medical Certificate and Physical Fitness.—Students should possess good physique and eye sight and should produce a Medical Certificate from an approved Doctor.

Initial Deposit.—A sum of Rs. 600 should be deposited initially. This amount will be adjusted towards admission fee during the first month and towards his flying fees and membership fees subsequently. The membership fees is Rs. 5 a month. The flying fees is Rs. 25 per hour for Tiger Moth Aircraft and Rs. 20 per hour for Aeronca Aircraft. Trainees can qualify themselves for the 'A' Licence standard, *i.e.*, (Preliminary) or the 'B' Licence standard which is advanced.

'A' Licence.—The 'A' Licence standard is taken up by most people as a Hobby. But young men of the Colleges and members of National Cadet Corps who possess this licence have a definite advantage if they choose to join the Indian Air Force of the Indian Defence Services. They will be shown a concession in the age if they want to appear for the commissioned ranks in the I.A.F. It is therefore very advantageous to the College students and candidates of N.C.C.

For 'A' Licence Course a trainee has to put in approximately 20 hours of Dual Instruction and 5 hours of Solo, and pass the flying tests as well as written examination conducted by the Director-General of Civil Aviation, New Delhi. This examination is held at Bangalore. The period required for obtaining 'A' Licence is approximately 3 months, the duration depending upon the ability, capacity and aptitude of the trainee. This period could be even reduced to six weeks as there are instances in which trainees have finished their flying course and test in six weeks. But the written examination is held once in three months—in March, June and September and December of each year. The students should pass in an examination in Indian Aircraft Act and Rules. It consists only one paper and a candidate will be declared to have passed the examination if he obtains not less than 75 per cent of the marks.

'B' Licence Course.—'B' Licence course can be taken up after obtaining 'A' Licence, by those who want to become regular pilots and take up to the commercial lines and also enter into advanced course of Aviation. For this at least 200 hours of Solo and 50 hours of Dual are required and have to pass the required examinations. The period required will be about 2 years. This will cost about six thousand rupees, depending again upon the ability, capacity and aptitude of the pilot. The trainee will have to undergo Air Legislation and Other Technical examinations.

Hours of training.—Flying training is imparted both in the mornings and evenings, by well qualified, able and experienced Pilot-Instructors and under proper authority.

Jakkur Aerodrome is situated only at a distance of four miles from the Bangalore City limits. City Bus services run from Majestic Circle to Yelahanka *via* this Aerodrome, every 45 minutes. So, there is no difficulty about transport. Trainees will have to make use of this City Bus Service or make their own transport arrangements.

No Boarding and Lodging facilities are available at the Aerodrome. Trainees will have to make their own arrangements at Bangalore City.

Applications for admission can be had free from the Principal, Government Flying Training School, Jakkur Aerodrome, Yelahanka Post, Bangalore, on request.

D. S. SIDDEGOWDA,
678 *Principal* I/c.

BANGALORE DISTRICT.

(EXCISE DEPARTMENT).
